

Refuah311 is excited to announce

## **COVID-19 ANTIBODY TESTING**

The First Step Toward Convalescent Plasma Donations

For Survivors of COVID-19

**THIS SUNDAY, APRIL 26, 8:30am – 4pm**

**JDBY Parking Lot, 3200 W. Peterson**

**ENTER FROM LINCOLN AVENUE**

**PLEASE WEAR YOUR MASKS FOR THE ENTIRE TIME YOU ARE AT THE TEST**

Who is Eligible:

- ◆ Anyone who had a confirmed POSITIVE swab test & is asymptomatic for at least 14 days.
- ◆ Anyone who was exposed to a POSITIVE patient, had symptoms but did not get tested, and has been asymptomatic for at least 14 days.
- ◆ You must be at least 18 years old.

At the Antibody Test a small amount of blood sample is drawn. This sample will immediately be sent to a Lifescan Laboratory for analysis.

**Refuah311** is working with Chicagoland Hospitals. They will determine if you are able to donate Plasma and will make arrangements for Plasma donations.

◆ **Before your test everyone must complete this online registration form:** ◆

Please make sure to add your signature in the last fields, allowing for Lifescan Labs and Refuah311 to have access to your results. All information is strictly CONFIDENTIAL.  
*You must also agree to follow all COVID-19 guidelines as established for the Chicago Community.*

**Please note, even if your antibody test shows immunity, there may still be other strains of the virus that you are not immune to. You must therefore maintain all social distancing guidelines.**

Refuah311 thanks Lifescan Laboratories, Hatzalah, Chaveirim, and JDBY for their help with this project.

There is NO CHARGE for taking this test.

**ENDORSED BY LOCAL RABBONIM & DOCTORS**
